Hi Fletcher – I've tried to use this map, but I can't figure out how to make it show the address with the PM10 NA area boundary, so I will need your assistance. Here are the two addresses for which we need to determine whether they are within the Maricopa PM10 NA area boundary:

32425 West Salome Highway, Arlington AZ 85322

41625 Indian School Road, Tonopah, AZ

Both locations should identify as Hickman's Egg Farms / Ranch.

Thanks for your help!

Subject: question regarding facilities possibly within Phoenix PM-10 planning area

Hi Kara,

I got your voicemail regarding facilities and their relation to the Phoenix PM-10 planning area, so I thought I would respond by email as well. If you happen to have the address of the facilities, you can plug it into the 'Enter Address' search feature of the *Region 9 Air Division Mapping Application*, at <https://gispub.epa.gov/r9adma/>, and see if it falls within the boundary. If you have questions or want more help, please let me know. This shouldn't be difficult for me to figure out. My extension is x23991; I am working remotely today but can be reached directly.

Thank you,

Fletcher
